

2010 Willamette Valley Pinot Gris

OREGON WINE AT ITS FINEST!

True to the varietal, this Pinot Gris is deliciously bright, fresh and crisp. On the nose kiwis and lemon zest greet you. Fuji apples, gooseberries and key limes open up on the palate. There's an interesting minerality and acidity balanced by soft floral aromas. The silky finish and fresh, full-bodied mouthfeel are indicative of a great Pinot Gris.

The hand sorted fruit received 100% whole cluster pressing. The juice was then cold-settled and racked off the lees. Undergoing a slow fermentation in stainless steel tanks at low temperatures maintained the subtlety of the young wine.

Appellation: Willamette Valley

Alcohol: 13.1%

Sustainable viticulture, low yields, exquisite wines
